

## SETAC North America Professional Excellence Award Rubric

This award may be presented annually to a member of SETAC North America who has shown exemplary service in advancing the society's mission and work. The recipient would have contributed to SETAC governance, programs and the environmental science field. Nominees must be full members of SETAC North America in good standing for five years prior to consideration for the award. Self-nominations for this award are welcome.

**Nominee Name:**
