

Society of Environmental Toxicology and Chemistry Ethical Conduct Self-Disclosure Policy Form

SETAC has established an ethical conduct self-disclosure policy as part of its overall governance and programming structure. We request that candidates or nominees for awards or honors, such as leadership positions in governance (e.g., boards and council) or within the Society and its programs (e.g., publications and awards), review and sign the form below. For the purposes of this policy, ethical conduct encompasses issues related to personal conduct, scientific research integrity, and financial management.

Please take a moment to read and reflect on the SETAC [ethical conduct self-disclosure policy](#), [code of conduct](#), [code of ethics](#) and [research integrity declaration](#), and disclose any past or current transgressions that should be considered during our deliberations regarding your appointment. After reviewing, please fill out and sign the form below:

Name:

Current affiliation:

SETAC leadership position or award being considered:

I do not have anything to disclose.

I would like to disclose. Please attach the details to this form, including dates and the resolution, if applicable. All disclosures will be considered by the executive director in charge, unless there is conflict of interest, at which time, a suitable member of governance will be selected to review. The disclosure will otherwise be held in confidence and the form will be filed on a protected server.

I hereby certify that the information set forth above is true and complete to the best of my knowledge. I have reviewed and agree to abide by the SETAC Conflict of Interest Policy.
